HERE FOR YOU

Terms and conditions. In the unlikely event that you experience a problem with your Nissan vehicle or the service you have received from one of our Nissan Dealerships or Nissan Authorised Repairer will provide a proposed

action plan to resolve your question, concern or query within a maximum of 2 working days.

The action plan will hopefully be the steps to resolve your problem but in a small number of cases it will form the first stage of a process that needs to be completed. For example, stage 1 could be to arrange for your vehicle's concern to be investigated whilst ensuring your continuing mobility. In the event that an investigation is required, once the results of the investigation are known a full plan of action can be made to resolve the issue.

Our commitment is not a guarantee that the issue will be resolved within 2 working days but it is a commitment to ensure that your question, concern or query is being addressed in a timely fashion. For the avoidance of doubt, our commitment is not an agreement to provide financial support.
